# Welcome

## to the FotbalPark Dymník

We are very pleased that the Czech Open 2015 became part of the WFGA Tour and we can welcome you in the beautiful area of Lužické Mountains.

Football Park Dymník was opened exactly one year ago. On 30th May 2014 we opened the "FUN" course which was the first one in the Czech Republic. During August in the same year we opened another "PROFI" course with 18 holes located right next to the first one.

We hope you will grow fond of this place and you will always be glad to return. We wish you a pleasant stay and the best possible score.

Best regards

**Tomáš Neumann & Mirko Bernas**

On behalf of the Czech Footballgolf Association and Footballgolf Park Dymník
