Welcome

to the FotbalPark Dymník

We are very pleased that the Czech Open 2017 is part of the WFGA Tour and we can welcome you in the beautiful area of Lusatia Mountains.

FotbalPark Dymník was opened exactly two years ago. On 30th May 2014 we opened the "FUN" course which was the first one in the Czech Republic. During August of the same year we opened an-other "PROFI" course with 18 holes located right next to the first one.

We hope you will grow fond of this place and you will always be glad to return. We wish you a pleasant stay and the best possible score.

Best regards

Mirko Bernas & Tomáš Neumann
