# HISTORY OF FOOTBALL GOLF IN THE CZECHIA

It will be exactly 10 years since the first Czech Open, which took place at Dymnůk in 2014. Due to the covid break, the 10th Czech Open will take place on our course this year.

The history of football golf in the Czech Republic began in the fall of 2013, when the Czech Soccer Golf Association - ČFGA was founded, which became a member of the world FG association WFGA. In November, the construction of two 18-hole football golf courses, FUN and PROFÍ, near Rumburk began, with quality facilities, a clubhouse, a restaurant and a social hall suitable for organizing international tournaments.

The Fun course was the first to open with a tournament on 30/05/2014. The first major test of the course and the organizers was the Czech Open 2014 international championship. Here we tried organizing a tournament for 115 players. The PROFÍ course was also opened for this tournament. In 2015, the Czech Open, held again in May, was visited by 185 players. The first ever world football golf championship held in the Czech Republic followed right after. It was August 2015 and 315 players from nine states were registered. In the end, 253 players played in the championship, which was a record since the founding of the World Football Golf Association. The next hosting of the World Championship fell to us in the covid year 2021, which, thanks to all the organizing measures, bore the subtitle of the safe championship and thanks to this, another record of 268 playing players fell.

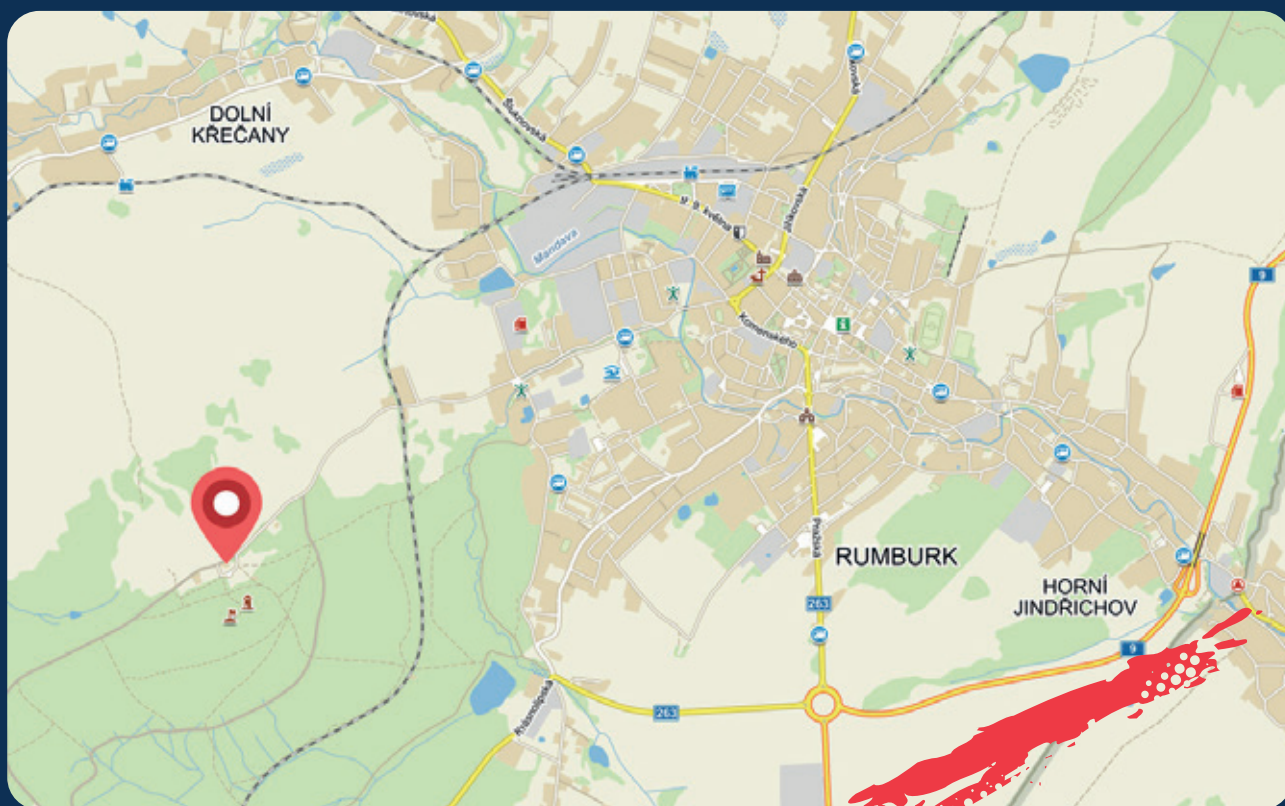

Until this year, the Czech Open took place 9 times in the Czech Republic, namely at Dymnůk. 1x European Championship in Pavlíkov. 2x World Championship in Dymnůk. In May 2024, we look forward to hosting the 10th Czech Open, which will also be associated with the celebrations of the 10th birthday of football golf in the Czech Republic. There are currently 10 CFGA certified courses hosting league tournaments and more are under construction. The CFGA is also part of the world football golf association WFGA, which currently registers 9,335 football golf players.
