WORLD FOOTBALLGOLF CHAMPIONSHIP 2025

HISTORY

This year marks the 10th anniversary of the first World Championship, which took place at Dymnůk in 2015. The history of footballgolf in the Czech Republic began in autumn 2013 with the founding of the Czech Footballgolf Association (CFGa), which became a member of the World Footballgolf Association (WFGA). In November of that year, the construction of two 18-hole footballgolf courses (FUN and PROFÍ) near Rumburk began. These courses were complemented by a high-quality infrastructure, including a clubhouse, restaurant, and a social hall, suitable for hosting international tournaments. The first course, FUN, was opened with a tournament on May 30, 2014.

Key Milestones

- 2014 – International Czech Republic Championship Czech Open 2014, 115 players
- 2015 – First Footballgolf World Championship in the Czech Republic
315 registered players from 9 countries, 253 players participated (WFGA record)
- 2021 – Footballgolf World Championship during the COVID-19 pandemic
Strict safety measures, New record: 268 participants

Tournaments held in the Czech Republic

- 10x Czech Open (all in Dymnůk)
- 1x European Championship (in Pavlíkov)
- 2x World Championship (in Dymnůk)

In May 2024, we hosted the 10th anniversary Czech Open, during which we also celebrated the 10-year milestone of footballgolf in the Czech Republic. Currently, the CFGa oversees 10 certified courses, where league tournaments are held. Additional courses are under development. The CFGa is also an active member of the WFGA, which currently registers 939 footballgolf players.

With respect and gratitude, we remember Mr. Mirko Bernas, one of the founders of footballgolf in the Czech Republic. His passion, dedication, and contributions to the development of this sport in our country will always be part of his legacy.
