

Schedule

Dear players.

We have a tight schedule for the World Championship, so please respect your starting time and do not make any unnecessary delay of game as it will affect everyone. If you have empty lanes in front of your flight, it is a sign that you are playing too slow and must pick up the pace.

We advise all players to be ready at least 15min before start. When playing a shotgun round, you should be ready 15min before start at your starting lane. First player in the flight on the gScore starting list, is responsible for bringing the scorecard to the starting lane.

Time schedule is pressured, and delay will not be accepted (See Rule 7.2a). In case of delays on the course a next shotgun start will start as quickly as possible. For all shotgun starts a loud horn will signal the beginning.

On Sunday we will have a Consolation Cup for doubles. The men who do not qualify for the third round of the men's tournament can sign up for this double tournament when registration opens Saturday evening 19.00 – 21.30 on gScore. The tournament will have space for 69 Men Doubles, so everybody should be able to play a 3rd round. Top 24 will also play a 4th round. We will have prizes for the top 3 All double participants will play 2 rounds. All women will play 4 rounds in single. All juniors will play 4 rounds in single. 108 men will qualify for the 3rd round. 54 men will qualify for the 4th round. 69 doubles will qualify for the Consolation Cup. 24 doubles will qualify for the Consolation Cup 2nd round. All players will play at least 3 rounds.
