# HISTORY

The history of footgolf in the Czech Republic began in the autumn of 2013, when the Czech Footgolf Association (CFGA) was founded and became a member of the World Footgolf Association (WFGA). In November of the same year, construction began on two 18-hole footgolf courses (FUN and PRO) near Rumburk. These courses were complemented by high-quality facilities, including a clubhouse, restaurant, and social hall suitable for hosting international tournaments. The FUN course was opened first, with a tournament held on May 30, 2014.

## Key Milestones

- 2014 – International Czech Championship Czech Open 2014 with 115 participants
- 2015 – The first Footgolf World Championship held in the Czech Republic  
*315 players registered from 9 countries. 253 players competed, setting a new WFGA participation record.*
- 2021 – Footgolf World Championship held during the COVID-19 pandemic  
*Strict safety measures were implemented. A new record was set with 268 participants.*
- 2025 – Footgolf World Championship  
*A new record of 284 players participated. 11 countries were represented. For the first time in footgolf history, the championship was broadcast live on One Play TV Sport. The recording is still available on YouTube.*

## Tournaments Hosted in the Czech Republic

- 10x Czech Open (all held at Dymník)
- 1x European Championship (held in Pavlíkov)
- 3x World Championships (held at Dymník)

In May 2024, we organized the 10th anniversary edition of the Czech Open, which also celebrated 10 years of footgolf in the Czech Republic. Today, the CFGA oversees 10 certified footgolf courses that host league tournaments, with additional courses currently under construction. The CFGA also remains an active member of the WFGA.

### *In Memoriam*

*We remember with deep respect and gratitude Mirko Bernas, one of the founders of footgolf in the Czech Republic. His enthusiasm, dedication, and contribution to the development of this sport will always remain an important part of his legacy.*

THANK YOU AND GOOD LUCK!  
On behalf of the Czech Footgolf Association  
and FotbalPark Dymník,  
Tomáš Neumann & Lukáš Bernas

Best of luck to all participants, and we wish you  
a successful and enjoyable tournament!
